Dear Supervisor Rodoni,

The East Shore Planning Group supports the Dark Sky Initiative in West Marin, known as [Dark Sky Point Reyes](#), and its efforts to designate the Point Reyes National Seashore and surrounding communities as an International Dark Sky Reserve. We encourage the ongoing collaboration between the International Dark Sky Association (IDSA), Point Reyes National Seashore, the County of Marin, and neighboring villages working to preserve the natural nightscape above West Marin.

We understand that a Marin County lighting ordinance will be required for the ISDA designation. In due course we will look forward to receiving a copy of the proposed ordinance so that we may take it under consideration.

Please keep ESPG advised of any future updates and/or educational opportunities. Please use this email address, ESPG@eastshoreplanninggroup.org, or our mailing address above.

Sincerely,

A handwritten signature in black ink that reads "Mary Halley". The signature is written in a cursive style with a large, looped "M" and "H".

Mary Halley, President
